## Security Advice when Traveling

### Before leaving home:

- Take time to lock up carefully before leaving the house
- Plan your outings with care
- Study the times of departure for public transport
- Decide in advance which route you will take
- Don't leave a note on your door saying you are out and when you'll be back.

### When travelling by foot:

- Travel and shop with companions whenever possible
- Be aware of your handbag at all times – in public situations, do not place it on the floor, back of a chair or on another seat
- Carry your handbag in your hand, rather than on top of other items in a basket or shopping bag
- Avoid carrying large sums of money
- Carry a small torch if you will be returning home after dark
- Carry identification and telephone numbers you may require while you are out
- When out walking, if someone in a car approaches you for directions, step back and don't place your head inside the car.

### When travelling by vehicle:

- Keep your car doors locked and windows wound up
- Ensure your car is maintained in good condition and has plenty of petrol
- Always carry a street directory in your car
- Have your keys ready as you walk to your car
- Before you get in, check that no one is hiding in your vehicle
- If in difficulties, drive to a service station, or a well lit location, where you can seek assistance
- Don't stop for hitch hikers
- Park your car in well lit areas
- Don't leave valuables in your car
- Be alert
